

**How did you find your first week?
(What did you enjoy, what didn't you enjoy?)**

What did you do that you are most proud of this week?

What is your goal for next week?

What words (3-5) would you use to describe your maths mission this week?

What did you find the most challenging?

What is your goal for next week?

**Did you accomplish the goal you set last week?
How did you tackle it?**

What was your favourite game and why?

What are your goals for next week?

Overall, how did you feel about the past 4 weeks?

What is an example of how you used Maths outside of Mathletics this summer?
