

World Maths Day

23 March 2022

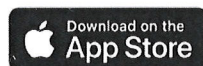

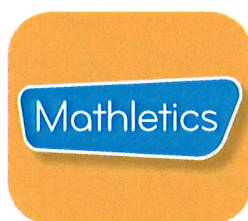

Parents & Carers

Your child's school is taking part in World Maths Day 2022, hosted on the Mathletics platform. This is a global mathematics challenge focused on using Live Mathletics. Students take part in 60-second races that test the speed and accuracy of their mathematics fluency skills. Prizes are awarded for top performing students and schools. Find out more on the webpage: www.3plearning.com/world-maths-day

We're looking forward to an exciting day and we wish your child the best of luck in the competition!

There is also a free Mathletics app for tablet devices that students can use to access Mathletics from anywhere. All of their activities are recorded and will be synced with their main Mathletics account.

The app is available for iPad and Android tablets.

Please find your child's username and password below.
Let's work together to inspire a love of learning!
