To Parents/Guardians,

Nursery – Sharing from the Start

We are very excited to be able to share with you, information on a new project for Nursery classes: Sharing from The Start.

Strabane Primary School Nursery and St. Catherine's Nursery successfully launched the programme before Christmas. Sharing from the start involves our pupils, parents and the staff of the two schools as they come together and share in this learning and development programme.

Slip into Slippers

On **Friday 27th January**, we hope to run our charity day supporting Age NI. During this day, pupils are encouraged to wear their bedroom slippers to school for fun. You may wish to send a pair of shoes with your child for outdoor break and lunch that day. We ask that everyone who takes part brings £1 to contribute to this worthwhile charity. The pupils should enjoy the novelty of this day and we will take time to think about how we can connect with the elderly in our families and the wider community.

Reminder Pre-School and Year 1 Admissions Portal is currently open.

The closing date and time for Pre-School and primary one applications will be **12 noon on Friday 27 January 2023.**

Please ensure you have the forms submitted on time. Forms submitted after this date must be treated as 'late' and should we have more applications than places available 'late' applications cannot be considered until all 'on time' applications have been offered a place.

Parents/Guardians with pupils in **Nursery must complete an application for P1.**

PTFA Funds

Thanks to the excellent fundraising efforts through our PTFA and your generous support, we have been able to purchase two new SMART boards for our school, enabling every classroom to have a state-of-the-art Smart board for everyday teacher and general use. In addition, we have also purchased ten top of the range laptops for use in the fully equipped ICT suite but also for use in class. These spends have been significant and we are grateful for the opportunity to give our pupils access to these valued resources during the current climate. Thank you.

We are now working towards Charity status with the aim of accessing of further opportunities available to us. If you would like to get involved, please contact the PTFA chair, Mr. M McCrea.

Play Group Mobile

You may have noticed or be aware that our Playgroup mobile has undergone significant refurbishment since Halloween. We are now delighted to inform you that the Playgroup has now relocated back to the school grounds with a virtually brand new fully equipped mobile unit. Thanks to the Education Authority for their support with this project.
